3. PUBLIC COMMENT ON ITEMS NOT ON THE AGENDA

Ammon Skidmore noted that the South San Francisco Centennial Way Trail does not have a safe connection to San Bruno. Only a minor improvement would be needed. The Committee discussed this missing connection. LR noted that staff identified this location as a missing connection worth considering as part of the Countywide Bicycle Comprehensive Plan (to be discussed later on the agenda). The Committee agreed that this connection should be discussed in the future.

4. ITEMS FROM STAFF, COMMITTEE MEMBERS, OR OTHER COMMISSIONS, BOARDS, AND COMMITTEES

- a. Priorities for 2010. LR suggested that the Committee review the 2010 Goals that were presented to the City Council at the annual report. The Committee reviewed the goals and formed small groups to work on them during the remainder of the year. The subcommittees are as follows:
 - 1. New Public Service Announcement: WB and RB
 - 2. Bike Rodeo (Assist): WB and DN
 - 3. Community Outreach: WB, CN, and DN

Committee members will report on their progress at upcoming meetings.

- b. Bicycle Workshop- Reschedule: LR reported that the workshop that was scheduled for October was postponed due to the Glenview Fire. After discussion, the Committee agreed that the workshop should be postponed until early 2011.
- c. C/CAG Countywide Bicycle Comprehensive Plan: LR reported that a staff person from C/CAG and a consultant met with staff about the new Countywide Plan. Staff supplied them with information about current planning efforts in San Bruno, our existing bicycle facilities, bicycle connections and routes of regional significance, and pedestrian emphasis zones. The Plan will include pedestrian elements for the first time. Staff will update the Committee on the Plan as it progresses.
- d. Human Powered Transportation- SHWEEB: GY shared the highlights of SHWEEB and his idea to have a system like it on El Camino Real as part of the Grand Boulevard.
- e. Reports from Members on Other Commissions or Committees: DM reported that TSPC has been working on speed issues and traffic calming on Susan Drive. TSPC also addressed the last section of Sneath Lane near El Camino Real that still had street parking. It will be red curb to complete the bike lane.

Chair George Yang thanked member Doris Maez for her many years of service. He highlighted her contribution in the areas of pedestrian safety and raising awareness of the needs of people with disabilities and limited mobility. All Committee Members shared in thanking her.
